

# Challah!

What's better than fresh, delicious challah to make your Shabbat celebration even more special while supporting the Religious School?

SHJC is partnering with ZuckerBaker's Bake Shop in Wantagh to make it happen!

**Zucker Baker's is peanut-free, tree nut and sesame seed-free, dairy and lactose-free bakery, and all of their products are kosher and pareve under the supervision of Vaad Harabonim of Queens.**

Take home a challah and bring home the customs and traditions we've taught your children throughout the years!

Fresh challahs will be delivered to SHJC weekly. Your challah can be picked up Thursday evening or during the day on Friday, helping you to create warm delicious Shabbat memories.

Challahs will be delivered on Thursday afternoons starting January 7, 2016 for 10 weeks.

The cost is \$5 per challah so the total for the 10 week is \$50!
